

Port Glasgow High School

Mission

Our mission is to improve outcomes for every young person, nurturing and utilising their ambition to ensure they are ready to fulfil a positive place in society with a sustainable, successful future.

We endeavour to foster the attributes of confidence and enthusiasm in our learners and to develop enjoyment of lifelong learning through the provision of rich and varied learning experiences.

We will generate mutual pride between the school and its community through continually enhanced connections with the local community and wider world.

We will enhance the wellbeing of our learners through a commitment to full inclusion and equity, ensuring every individual is valued and supported as a part of our caring learning community.
